

RS FOLDING MONOCHROME PING-PONG TABLE

RAFAEL RODRÍGUEZ

The RS Folding Monochrome ping-pong table proposes a singular idea: turning color into matter. Not as an accent, but as a language unto itself, where a single tone defines the piece and the game. Steel and aluminum serve as the foundation for a bold chromatic expression. Uniform, immersive, almost hypnotic. Color shapes the volume, elevates the geometry, and transforms function into a visual gesture. Folded, it appears as a compact, resolute column. Unfolded, color expands and becomes part of the play.

El ping-pong plegable RS Folding Monochrome propone una idea clara: convertir el color en materia. No como acento, sino como lenguaje en sí, donde una única tonalidad envuelve la pieza y define el juego. El acero y el aluminio actúan como soporte para una expresión cromática rotunda, uniforme, casi hipnótica. El color modela el volumen, enfatiza la geometría y transforma la funcionalidad en gesto visual. En posición plegada, se percibe como una columna compacta y rotunda. Es al desplegarse cuando el color se expande y se suma al juego.

RS FOLDING MONOCHROME PING-PONG TABLE

RS FOLDING PING-PONG TABLE

RAFAEL RODRÍGUEZ

With RS Folding, the idea of “not having space for a ping-pong table” simply fades away. It challenges every convention, places design where it truly belongs, and brings together in a single table the functionality of folding and the spirit of intense living design. Discreet, it waits in silence until the moment of play, when it reveals all its charm. Folded with a simple movement, it takes up minimal space and moves effortlessly wherever it’s needed, thanks to its robust all-terrain wheels. There it rests. Until the next game.

Con RS Folding, la frase “No tengo espacio para un ping-pong” pierde todo su sentido. Rompe con todas las convenciones, sitúa el diseño en el lugar que le corresponde y reúne en una misma mesa de ping-pong la funcionalidad del plegado y el diseño *Intense Living*. Permanece discreto hasta que entra en acción y revela todo su atractivo. Plegado, mediante un gesto sencillo, ocupa el mínimo espacio y se desplaza con facilidad allí donde se lo necesita, gracias a sus robustas ruedas todoterreno. Allí reposará. Hasta la próxima partida.
